To Whom It May Concern:

I am writing to notify you that Finally Pest Control is QualityPro accredited and has earned the mark of excellence in pest management. As a QualityPro accredited company, Finally Pest Control has placed itself in the top echelon of pest management companies in the nation. QualityPro is the credentialing organization endorsed by the National Pest Management Association to encourage professionalism and recognize excellence in the industry. Less than 3% of pest control companies in the US have earned this prestigious designation.

QualityPro accredited companies voluntarily ascribe to a set of qualifications that go above and beyond government requirements. As a potential customer, qualifications that may interest you include:

- Checking employee references and motor vehicle records
- Doing criminal background checks on all employees where permitted by law
- Employing only highly-trained, credentialed employees
- Holding an up-to-date insurance policy
- Maintaining a drug free in the workplace policy
- Truthful and ethical advertising
- Agreeing to periodic audits ensuring adherence to QualityPro standards

The website, www.qualitypro.org, contains more information about what QualityPro is and what it means to your partner in pest management. QualityPro accreditation truly sets Finally Pest Control apart from non-QualityPro accredited companies.
